## Healthy Church Check-Up

In a week or so, I will be going in for my yearly physical. I feel fine. No new health concerns except the usual one... I need to move more and eat less. So, why not just skip the physical? Why should I spend the time or the money for a physical? Can't I just assume I am doing fine until something major crops up?

The answer is no. But why? Because by the time something major crops up and I am so sick I have to go to the doctor, it will be much harder on my body. By the time I am "sick enough" to go to the doctor, I will have already been suffering from a disease or an infection that could have been prevented had I gone for my yearly check-up in June. The money I would have saved is now blown on a much more serious condition. The time I saved then is now lost in multiple trips to the doctor or even a stay in the hospital.

None of us would treat our physical health so lightly, but churches often wait until their congregational health is in serious condition before they are ready to make changes; by that time it may be too late.

I have been with you here at Faith UMC for a year in June, and I can see there is health and vitality in the con-

gregation. However... We have to ask:

- What are we doing to ensure that we will remain healthy in the years to come?
- How do we replace our current leadership as we age demographically?
- How do we replace the members we will lose through death and attrition?
- How will we attract new families to our church?
- How are we planning for the future?
- How prepared are we for the next five years, or even ten years?
- Do we know what God is calling us to do as His people at Faith UMC?
- What are we willing to give up, or to start-up, in order to see His name honored in this community?

In order to answer these questions clearly, we need a vision check. This will be a time to check-in with God and re-think what we are doing and why we are doing it.

This is a time to affirm our strengths and to shore up the area (or areas) in which we need to grow.

*(HEALTHY Continued on Page 2...)*

Faith  
Messenger

The process we will engage in is called **Revitalization**. It is a **SEVEN STEP** process through which we clarify our vision and purpose, and examine all we do in the light of what God has called us to do.

**STEP ONE:**  
**ATTITUDE CHECK**

- This requires recognition by the leaders of our organization that simple fixes and modest improvement is not enough. **Everything has to be on the table and open to change.**
- **We should be caring more about connecting people into a relationship with Jesus Christ, for their sake and God's sake, more than anything else: our building, our music, our worship, how we do things, our survival should all be focused toward this end.**

**STEP TWO:**  
**CLARITY ABOUT PURPOSE**

We will develop a compelling answer to each of these questions:

- Why do people need Jesus?
- Why do people need the church?
- Why do people need this church?

We need to become familiar with our current community and context, and be able to answer:

- Who lives in this community?
- What are their hopes, hurts, needs?
- Who can we best reach/serve?
- What is the best way to connect with each other, especially those we don't yet know?

- Who is God calling us to be, and what is God calling us to do in, and for, this community?

Once we agree on the answers to these questions, we can form a Purpose/Vision Statement. This is not a formal, page length document, that sits in a file...it will be the heartbeat of the congregation and it will be the lens that drives every ministry decision in our future. The shorter and more memorable it is, the better.

This summer I am **forming a team** that will take our core values of **FELLOWSHIP, WORSHIP, OUTREACH AND FAITH** and formulate a clear Vision Statement that will be the basis for a Congregational Plan. Not just any plan, but **OUR CONGREGATIONAL PLAN**. This Plan will clearly set OUR benchmarks for ministry over the next five years.

We will meet three times this summer and present a Vision Statement to the Church Council for approval in September. If you are willing and able to participate in this process, please let me or Tina know! **Our first meeting will be on June 12<sup>th</sup> at 7pm in Fellowship Hall.**

## PEACE WITH JUSTICE SUNDAY—June 3, 2012

Half of the Philippines' 101 million people, and most of it's poor, live in depressed rural areas, many barely survive by farming. They suffer from historic inequality in the distribution of land and resources, resulting in high unemployment, hunger, illiteracy and violent conflicts between insurgents and government forces.

But United Methodists there are making connections in order to make a difference. A small grant, funded by the Peace with Justice Sunday offering, helps Filipinos in the Southern Tagalog region build faith-based partnerships to foster solutions to the poverty and injustice that burdens this tiny nation.

Through its Just Peace League, the Southern Tagalog Provisional Philippines Annual Conference East teaches youth and adults to struggle for justice, economic sustainability and peace.

The United Methodist Youth Fellowship (UMYF) joined the league at its Kongreso ng Ka-

bataan, or Congress of Youth, in 2011. Bible study, lectures and group activities helped nearly 70 young people become more informed and involved leaders in peace with justice ministry.

"It was organized to let our youth have a voice on different issues of our society, especially around agriculture," reported UMYFP President Angelica Justiniano.

Now the youth are engaged in projects to protect the environment, feed malnourished children, and work with poor farmers, "so we can know their problems and the possible solutions they need," said Justiniano.

Your Peace with Justice Sunday offering aids disciples, young and old, who are indeed changing lives and changing the world, inspired by Christ's gospel of love and liberation.

Your generous gifts support Peace with Justice ministries in our local annual conference and Peace With Justice Ministries in the U.S. and Globally. These funds are distributed by the General Board of Church and Society.

### Coffee, Bible & Friends

Tuesday Bible Study will meet on **June 5 at 11:30 a.m.** and will go out to lunch at Johnnie Beans afterward. They will **continue meeting every Tuesday at 4:15 p.m. in the Upper Room through the summer.**

## Medical Mission Trip to Haiti

Sherry Scholljegerdes, RN, our Parish Nurse, will be going to Hospital Bon Smaraitain (HBS) in northern Haiti with a medical team made up of a surgeon, a dentist, nurses and an anesthesiologist—9 people total. The trip is scheduled for November 2—10, 2012.

HBS was founded in 1953 by Dr. Hodges, a Baptist medical missionary. It has grown to a 130-bed hospital and outpatient clinic that includes a laboratory, radiology and most recently, an HIV clinic. Medical mission teams augment existing services by providing surgical treatment for 5-6 weeks each year. These teams of physicians and nurses usually stay for one week and perform elective surgeries, such as hernia repair, hysterectomies and cesarean sections. Patients travel from many miles away, usually by foot, to receive these services for a limited fee.

This year, cervical cancer screening has been added as a service to the Haitian women. The program has been very popular and produced long waiting lines. We hope to continue to expand this program with new volunteers, one of which

is our very own Sherry Scholljegerdes!

Sherry will be doing cervical cancer detection and treatment. She worked as an OB/Gyn Nurse Practitioner for 18 years before retiring.

If you would like to financially support this trip, please contribute to Faith UMC—Parish Nurse-Haiti. This ensures getting a deduction on the annual statement from the church for your support. The total cost of the trip is \$1,200.

Our Faith Family supports her mission work and asks for Prayers: for the medical team and for Sherry. She says she is truly stepping out of her comfort zone on this trip. She also knows that God is with her and will work through her to do His will. He is already in Haiti; she looks forward to feeling His presence with her and the team.

*\*\* This is not a United Methodist sponsored trip, although several team members are Methodist.*

**UMW NEWS****UMW NEWS****Emma Norton Trip**

The trip to Emma Norton on May 10<sup>th</sup> was taken only by a few people but Char Frankenberg gave a very informative and interesting report on their trip at the UMW meeting. Char showed slides of Emma Norton and even if we were not able to go, we got to see and learn more about Emma Norton services.

**Southern Prairie Spring Gathering**

Faith United Methodist Women received recognition as one of Southern Prairie District 2011 Five Star units and a 2011 Mission Today unit at the Southern Prairie Spring Gathering in Madelia.

The "Five Star" award refers to the five channels of Mission giving in which Faith UMW participates. It includes Pledge to Mission, Special Mission Recognition, Gift to Mission, Gift in Memory and World Thank Offering.

The "Mission Today" award is given to units who complete a checklist of things the unit does during the year. We completed many different activities and missions during the year and qualified for the recognition.

Women from Faith who completed the requirements for the reading program were also recognized.

Congratulations to Faith UMW- "we done good!"

**UMW Unit Meeting**

The UMW unit meeting was held on Monday evening May 21<sup>st</sup> at 6:00 pm. Sherry Scholljegerdes gave a program on Nome, Alaska. She talked about Alaska and about the Methodist Church in Nome and the missions they do.

The UMW budget for 2013 was approved. Mission giving of: \$200 to Emma Norton toward beds; \$200 to assist with the Simpson Shelter meal; \$200 to Food at Faith; and \$200 to assist Sherry Scholljegerdes for her mission trip to Haiti.

Guest Night and the Fall Bazaar were on the agenda. We are looking for chairperson(s) for the Guest Night snack and decorating and for the Fall Bazaar craft area.

Sandy Voshell showed a pillow case dress that she made for Dresses for Africa. She invited people who don't quilt to join the quilting group that meets the second Friday morning at church to make these dresses. If people are not interested in making the dresses maybe they have some pillow cases that they could donate for someone else to make.

Double faced binding tape and quilting material donations are requested ... Can you help?

**Guest Night**

Catherine Ritch Guess will be our presenter at Guest Night on August 8<sup>th</sup>. Mark your calendar! It is going to be a fun entertaining evening. Watch for more information.

**Day Apart**

Day Apart is a daylong event encouraging us to know God, with personal time to explore how well we know God.

It is going to be held on Tuesday, June 12, at Wells, MN, starting at 9:30 a.m. The Pre-registration should be in by June 8<sup>th</sup>. It would be great to have a large representation from Faith UMW. Please let Roberta Walker know if you can make it.

## Faith for a Cure! FUMC Relay for Life Team 2012

- We have other fundraising ideas, but need some help... Let us know if you are interested!

**Let's  
make it  
a  
success!**

**NURSE NOTES:**

**I Love the Summer Lifestyle**

Summer's here! Let's get outside and enjoy the great outdoors. There is even a good reason to go outside—FRESH AIR is good for you!

Fresh air is full of oxygen which our bodies need to run properly. The air is charged with negative ions outdoors: around green vegetation, near moving water, after thunderstorms. Such expressions as, "I need some fresh air" or "Give them some air" indeed are true. If you have spent any length of time in a hospital or a hotel room, you crave fresh air.

So, get out of doors, and enjoy summer! Have green plants in your house, they absorb toxins in the air. Leave your windows open at night. Air your house in the morning. It's all good for you!

If you have kids in your life, try these ideas:

- Mandate green time—playing outside.
- Grow a family garden—kids who grow vegetables eat more vegetables.
- Eat meals outside.

- Tent (camp) in the back yard.
- Exercise outside instead of inside.

Fact: "Interaction with nature reduces depression, promotes healing, [and] sparks creativity..."

"And the Lord God formed man out of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." (*Genesis 2:7*)

When you think about it, it appears that Jesus spent more of His time outside. I wonder if one of the reasons he did so was to increase people's ability to receive the Word and understand it better... Hmmm.

Have a Great Summer! Hope to see you out and about, if you are able.

## UMCOR Updates

### NEWS: STRATEGIES FOR MATERNAL AND CHILD HEALTH

In many countries, up to 20 percent of children die before their fifth birthday from preventable diseases such as pneumonia, diarrhea, and malaria. In addition, more than 300,000 women die during pregnancy and childbirth each year. The United Methodist Committee on Relief (UMCOR) is trying to turn these statistics around with its comprehensive maternal and child survival program.

Access to basic health care can dramatically increase the health of mothers and their babies. UMCOR supports prenatal clinics and clinics for children under the age of five, as well as training events for traditional birth attendants. UMCOR also educates mothers. This program emphasizes four basic health strategies: nutrition, oral rehydration, immunization, and growth monitoring.

Give to help mothers and their children by contributing to the **Maternal and Child Survival Program, UMCOR Advance #982645.**

### PRAYER: HAITI PARTNERS

Pray for the Haiti Mission Partners as they examine new ways to collaborate with the people of Haiti to advance recovery from the January 2010 earthquake there.

### MEDIA: TEXT TO GIVE AND FIGHT HIV/AIDS

Support the United Methodist Global AIDS Fund through the new text-to-give campaign. Text HEALTH to 80888 to give \$10 to support education, prevention, care, and treatment programs for people living with HIV/AIDS.

### RESOURCE: CONNECTING NEIGHBORS

The Connecting Neighbors leadership training program is a one-day, disaster-readiness program for local churches, designed to equip volunteer trainers with the information and tools they need to help guide the church as it prepares to respond to disaster in the community.

UMCOR provides emergency relief in many areas of the world. To find out more about UMCOR's ministries, please visit [umcor.org](http://umcor.org). You can donate to any project by placing a contribution in the offering plate at a local United Methodist church; by sending a check to UMCOR, PO Box 9068, New York, NY 10087-9068; or by calling 1-800-554-8583, where credit card donations are accepted. You can also give online by clicking any of the "DONATE" links or make a \$10 donation anytime by texting "UMCOR" to 80888. ### NEWS: PROVIDING SHELTER IN THE PHILIPPINES

The southern Philippine island of Mindanao is still undergoing the ravages of deadly typhoons that hit the nation last year.

With the help of UMCOR, the United Methodist Committee on Relief, "shelter-boxes" have been shipped from a humanitarian services corporation, D.R. Strategies in Texas, each of which can be used by a family of up to 10 members to create their own new home.

They are a step toward much fuller provisions, but for now will provide sturdier and more protective

## Faith UMC Vacation Bible School 2012

Dear Parents—

We're bringing an underwater universe adventure to the kids at our Vacation Bible School, **Operation Overboard: Dare to Go Deep with God!** Your children will become divers-in-training at **Operation Overboard** as we plunge into God's Word and discover stories of deep faith.

After a high-energy opening at **Ocho's Cave**, the divers make their way to the **Underwater Passage**. Interactive Bible lessons reveal five ocean insights for living as a follower of God, and your divers will discover **Sea Scripture** memory verses that will boost their faith long after VBS.

The children will expand on what they've discovered by participating in a variety of activities: making their own art projects at **Aquatic Arts**, singing new music at the **Choral Reef**, exploring science activities at **Exploration Station**, participating in recreational activities at **High Tide Hangout**, and enjoying tasty snacks at the **Diver's Diner**.

Dive right in! Join us at Faith UMC (801 4th Ave. NE, Waseca, MN) on **August 6—10, 2012 from 8:30—11:30 a.m.** To register, or find out more information about **Operation Overboard**, call the church office at (507) 835-3167, or visit the church website at: [www.wasecafaithumc.com](http://www.wasecafaithumc.com).

## YOUTUBE! YOU WHAT?

**Yes—it's true! Faith UMC now has a YouTube "channel".** What does this mean?? Well, most of us have heard of, and maybe have even visited You Tube on the internet. Now, if you go to You Tube, and enter Waseca Faith (or use the link below)—you will be able to watch our recorded worship services going several months back.

This is another outreach tool we can use to reach our membership, and attract new members! So, when you are travelling, visiting with family or friends, or just stuck at home ... Remember that you can now share the FAITH worship experience!

A special thank you goes out to Patrick Hagge for making this idea an actual working reality. Special thanks to George Hagge for being proactive and keeping us moving forward with technology! Your gifts and talents are appreciated!

shelter than many displaced people have so far been able to find.

Sister Maria Famita Somogod of the Balsa Mindanao secretariat, an UMCOR partner in the region, welcomes the shipment of the shelter-boxes: "This is very timely now that we are seeing, after all the efforts to provide shelter for the survivors of Typhoon Washi, that evacuation centers are still cramped."

To help with the continuing recovery in Mindanao, you can make a donation to **Philippines Emergency, UMCOR Advance #240235.**

**ANNOUNCEMENT: CHANGES TO UMCOR REFUGEE MINISTRY**

Church World Service, through the support of UMCOR, has begun providing leadership for UMCOR's historic mission among refugees and immigrants. Dr. Jen Kilps, formerly of the Minnesota Council of Churches, will resource UMCOR's network of Refugee and Immigration Coordinators, encourage United Methodist congregational involvement with resettlement, and resource local projects for the displaced in the U.S.

And, please pray for those who are hungry, displaced, sick or in poverty because of these and other natural and human-made disasters, and for the workers who minister to them....

**Ed Dallas Rides His Bike Coast to Coast for UMC Mobile Ministry**

Can you hear the loons calling from the northwoods of Minnesota?

This summer, they are singing for Ed Dallas, who is riding his bicycle over 4000 miles across the country from Maine to Washington! Ed is riding to increase awareness and raise support for the Mobile Ministry, a Minnesota Annual Conference mission to the communities of Kabetogama and Crane Lake in the far Northwoods of Minnesota at the entrances to Voyageur's National Park and the Boundary Waters Canoe Area.

Ed will be riding for about 90 days beginning on May 17. He will be in Minnesota in late June. Ed says: "At some time during a person's life, there will be the need for pastoral care and for those who don't

live in a major urban area, that care might not be available. The Mobile Ministry assures the people in Crane Lake and Kabetogama that they will have access to pastoral care."

Roger Parrish-Siggelkow is the pastor of Kabetogama UMC and Crane Lake Chapel, which are the only churches in both communities. In the summer months, Voyageur's National Park hosts over 200,000 visitors and Pastor Roger is the only Christian pastoral ministry presence in the park.

To support the Mobile Ministry, you can send donations to UMC Mobile Ministry: P.O. Box 128, Orr, MN 55771. The memo section of the check should read "Bike Ride" or if you are attending a UMC church, you can help the Mobile Ministry as an Advance Special of the Minnesota Annual Conference through your church offering.
